MESSAGES

Dear Families,

Welcome back to a new half term. It has been wonderful to see the children return to school full of enthusiasm, positivity and ready for the exciting learning experiences ahead. We have made a fantastic start to the half term, and the school has been buzzing with energy and purposeful learning. The children have settled quickly back into routines and are already demonstrating our school values through their hard work, kindness, and determination.

It was a pleasure to watch our Year 5 and Year 6 football team on Wednesday, who proudly represented Adlington Primary School at a football tournament held at Macclesfield Football Club. The team competed against pupils from several local schools, demonstrating excellent teamwork, determination, resilience and sportsmanship throughout the event. Thank you to families for braving the cold conditions and encouraging the team!

Another highlight this week was our Freddie Fit sessions on Friday. The children thoroughly enjoyed taking part in the fun, energetic activities and it was fantastic to see so many smiling faces. Freddie Fit combines physical activity, teamwork and healthy lifestyle messages in an engaging way, and the children embraced every challenge with great enthusiasm. The positive atmosphere throughout the day was superb, and many children have been talking about their favourite activities since! We are very grateful for the opportunity to provide experiences such as these, which encourage children to develop healthy habits whilst having lots of fun.

As always, thank you for your continued support. We look forward to another successful half term filled with learning, achievement, and memorable experiences for all our children.

Best wishes, *Steph Swinson*

The PTA is delighted to share the news that after a successful application, we have been selected to be part of the Co-op community fund for the next 12 months. Every year, the Co-op gives a share of £3.5m to local causes that are part of this scheme. The amount of money that we will get depends on the number of people that select Adlington Primary PTA as a local cause in the Co-op App.

If you're a Co-op member, please choose Adlington Primary PTA as your cause? Just go to the Wallet section of your Co-op app. It only takes a moment and won't cost anything. If you're not yet a Co-op Member, please consider signing up via the Co-op App and then selecting Adlington Primary PTA.

It's also important to note that members don't need to live near Adlington to support us either! Please share this link with family and friends who can support us too.
